

12 August 1955

Dear Kelly:

This will confirm the plan I have already discussed with you for a suppliers' meeting to be held on 30 and 31 August on the West Coast. We will spend one day [redacted]

[redacted] The other day we will devote to a meeting down town at some appropriate location to be arranged.

I hope we can use the first day not only for sightseeing but to discuss on the ground matters having to do with operations at [redacted] Most of the technical problems on systems integration we will reserve for the meeting down town.

My best regards,

Dick
